fedena®

Fedena School ERP has every feature you will ever need to run your institution efficiently.

Fedena School ERP System provides user-friendly dashboards with login access for teachers, non-teaching staff, students, parents and management personnel of your institution. The various modules available in Fedena facilitate all the processes of your institution, from admission of new students to generating transfer certificates when students complete their studies.

Fedena School ERP has modules to manage Timetable, Attendance, Examinations, Gradebooks, Campus News, Hostel, Library, Transportation, School Calendar, Events and many more. It has a fully-fledged Human Resource module to manage the payroll and employee pay slips. The Finance module helps you to plan and allot different fee structures to students. Fedena School ERP System is is also an excellent collaboration tool using its Task, Discussion, Poll, Blog and Video conference plugins. There is an internal messaging system within Fedena but you can also integrate it with external communication tools like email and texting.
